March 2014 – Changes to 2014 Nonfarm Employment Series

Detailed below are the March 2014 changes to the monthly nonfarm employment series. These changes became effective with the release of the January 2014 nonfarm data on Mar. 17, 2014.

Preliminary and revised estimates for nonfarm employment series will continue to be published monthly. Changes include the removal of certain published series from the statewide and two of the eight metropolitan statistical areas. The changes are listed below.

Statewide:

Seasonally adjusted removed Wholesale Trade

New Orleans MSA:

Not seasonally adjusted removed Oil and Gas Extraction under Mining and Logging

Shreveport MSA:

Not seasonally adjusted removed Transportation Equipment Manufacturing under Manufacturing

For more detailed information on January 2014 employment data for Louisiana, visit our website at www.laworks.net and select Labor Market Information > LOIS > Employment and Wage Data > Industry Data > Current Employment Statistics (CES).
