

1010, 1010A, 1009, 1008 and the Medical Treatment Guidelines

- **Town Hall Meetings** will be conducted by the management and staff of the Office of Workers' Compensation Administration (OWCA) to specifically discuss the challenges and rewards of the medical treatment guidelines process and the LWC-WC 1010, 1010A, 1009 and 1008 forms used to navigate that process.
- The OWCA wants to hear from you regarding your experiences with the medical treatment guidelines process. What can we do better? What can we do differently? What might be eliminated? What might simply be tweaked?
- These Town Hall Meetings are for health care providers, payors, employers, third-party administrators, utilization review companies, self-insured employers, pharmacy benefit managers and injured workers.
