

**Public Meeting**  
**Baton Rouge Regional Office**  
**August 27, 2015**

My name is Gabe McGrew. I am a District Supervisor with Louisiana Rehabilitation Services (LRS). It is now 9:10 AM, Thursday, August 27, 2015 so we will begin this Public Meeting.

**LRS is revising Chapter 5, Business Enterprises Program Manual and Chapter 21, Trust Fund Policy of the Randolph Sheppard Program as a result of Act 761 of the Legislative Session. Chapter 5 and Chapter 21 have multiple clarification revisions involving the terminology and numbering of the Revised Statues (R.S.).**

The purpose of this meeting is for LRS to obtain your opinions, views, and concerns regarding these proposed changes. Your comments will be recorded and submitted to the LRS Director for consideration.

Let me emphasize that this is not a question and answer session. As I stated before, this meeting is for *you* to have the opportunity to voice your views. If you have any comments, please approach the microphone and state your name, the agency you represent, or whether you are a private citizen, and then state your comment.

You may submit written comments to: Mark S. Martin, Director, Louisiana Rehabilitation Services, P.O. Box 91297 Baton Rouge, LA 70821-9297. Written comments will be accepted until close of business (4:30 pm) today, August 27, 2015.

It is now 9:30 a.m. This meeting is being brought to a close. Thank you for your attendance and comments. I note that we have four LRS staff members and one interpreter attended this meeting ---no one from the general public is in attendance.
