Update to Workers' Compensation X-Ray Codes Reimbursement Schedule

Effective June 20, 2016, the Office of Workers' Compensation Administration has implemented codes that were inadvertently omitted in a 2014 update pursuant to an emergency rule posted on the Office of State Register website. This action will ensure that medical providers receive timely payments for routine procedures. The addition was in Table 2 of Section 5157 and does not affect any other codes currently in Title 40. Providers and other stakeholders can view the Emergency Rule at <http://www.doa.la.gov/Pages/osr/emr/emr.aspx> until it is added to the July issue of the *Louisiana Register*. The OWCA will also issue a Notice of Intent to be published in the July *Register* on July 20th.
